## Answer

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS
(SHRI RAJEN GOHAIN)

(a) to (c): Yes, Madam. Few representations have been received for provision of amenities at Karnal Station. Karnal is an 'A' category station. All Minimum Essential Amenities (MEA) are available at this station as per norms. This station has also been developed under Model station scheme. Some important works like provision of high capacity chlorinator, improvement of platform and circulating area and improvement of station building facade and its approaches have been sanctioned. Surveys are also conducted from time to time to check the availability of amenities at stations as per norms and feasibility for improvement of passenger amenities based on the demand / suggestions received from passengers / public representatives.
